Chairman Report

Diane Mays, Chairman opened the meeting and thanked the city of Pickerington for hosting this quarterly meeting.

Outreach

Mary Sampsel made announcements on the following upcoming events:

- The Ohio State University spring football game
- Columbus Clippers vs. Rochester Red Wings – Thursday, June 10, 2010
Huntington Park; Networking 5:00-7:00; game starts at 7:05.
- Central Ohio Code Officials Association A Team to Build a Building- Thursday, July 1, 2010
Board of Building Standards 6606 Tussing Road Columbus, Ohio.
- March 2011 OBOA/ COCOA Joint Conference in Columbus, Ohio.

Education

Robyn Harp was unable to attend, however, if anyone is interested in becoming a certified permit tech, please contact Robyn at RHarp@dublin.oh.us. So far, 5 people have shown interest.

Membership

Fredena Williams requested that all permit techs register for 2010. If you know of any building staff from other locations, please inform Fredena so she can connect with them and invite them to the meetings. We welcome 2 new members: Jodi Griffis, the city of Worthington, and Tamara Wade of Trumbull County.

Code Consistency

Maureen Brady reported on topics discussed in the Code Consistency Meetings held January 2, 2010, and February 17, 2010. This information will be attached with the minutes.

Public Relations

If you are still in need of a T-Shirt, please get in contact with Sandy or Linda to order one. sliedtke@co.union.oh.us or lreigle@co.union.oh.us.

International Code Council

The International Code Council is dedicated to building safety, [fire prevention](#) and energy efficiency, develops the codes used to construct [residential](#) and [commercial buildings](#), including homes and schools. Most U.S. cities, counties and states that adopt codes choose the International Codes, [building safety codes](#) developed by the International Code Council. The International Codes also serve as the basis for construction of federal properties around the world, and as a reference for many nations outside the United States. Sandy Liedtke and Irene Metheney act as liaisons to this council for us. If you have any questions about the international codes, you may contact them or refer to the website at www.iccsafe.org. Many of the permit tech questions come from the books distributed by them.

Treasurer Report

Maureen Brady gave the treasurer report. We have \$35.00.

New Business/Training

Regina Hershaw with the Board of Building Standards gave us an overview of what services the Board provides and the possibility of having permit tech certifications done through the BBS. Pete Marino, Architecture Manager of Dominion Homes, instructed us on how to read building and plot plans, and we review an actual set of drawings.

The meeting was adjourned and lunch was served.

*Names listed on the attendance sheet.
