

## Training Workshop Registration Policy

It is the policy of Union County Child Care Network to register someone for a training workshop **only** after a registration form **and** payment has been received. There will be no refunds for unattended classes.

Also, you must be registered at least one week before the date of the class. And as a reminder; classes fill up fast so signing up early is a very good idea. Early sign-up is especially important for CPR and First Aid since group size is limited by the number of instructors.

Please fill out the registration form completely so we may be able to contact you in case of class cancellation.

Thank you,

The Child Care Network Staff

\*\*\* Registration will be cut off 2 weeks prior to the actual class date.
